Only the final entries are taken into consideration by the ITTF Competition Manager and Organizers. Full details about entries' numbers can be found in the 2019 WT Directives but in general for the ITTF World Tour an association can enter an indicative number of entries as follows: Singles: Each National Association can enter players as may deemed necessary, but the ITTF reserves the right to approve less entries than the indicative 6 per NA and 12 for the host association per gender, in case of very high number of entries. In these cases, a number will be guaranteed per NA and all remaining positions will be filled by WR. In cases of oversubscription, players for each NA will be approved by WR, unless requested differently by NA(s) prior to the entry deadline, by e-mail to the ITTF Competition Manager. For each NA all players in the Top 16 will be approved automatically and remaining positions per NA will be filled as well by WR or by the NA request, if notified prior to the entry deadline by e-mail to the ITTF Competition Manager. Men and Women Doubles: Maximum 2 pairs of 4 players per National Association (3 pairs or 6 players for the Host Association) Mixed Doubles: Maximum 2 pairs or 4 players per NA (including the Host Association). Only pairs from the same NOC are allowed. 1 pair or 2 players per NA will be first approved provided they are in the Top 40 pairs entered and an additional pair will only be approved if spots are available. For all doubles the selection is otherwise done according to the Doubles Ranking. Only the Top pairs up to the maximum numbers indicated on the WT Directives and the maximum numbers per NA as described above will be approved. Entries in singles and doubles will be approved based on the final number of entries and excess entries will be put on Waiting List.
